How to play it

Bingo Playset

1. Give every player a bingo board. Before you start playing, decide if you are playing for a horizontal row, a vertical row, or for the whole board!
2. The bingo caller pulls out a card at a time and calls and shows the picture – e.g. “Yellow magic wand”
3. If a player has the picture on their bingo board they can cover it with a counter.
4. When a player covers all the pictures on their board they call out “BINGO!” The first player to do so is the WINNER!

Enjoy!
