

How to make it

Paper Gems Garland

1. Download the file and print out the gems. Print on heavy stock if you wish.
2. Cut along all solid lines.
3. Score on all dotted lines and fold along each of these lines.
4. Stick a loop of thread inside the model before gluing the model together.
5. Glue your model together flap by flap.
6. Connect the loops together. That's it, you have a string of paper gems.

Use it to decorate the banner, window, table, and etc. The possibilities are endless.

How to make it

Paper Feather Decor

1. Download the file and print out the feathers. Print on heavy stock if you wish.
2. Cut along the outside edge of the feathers.
3. Score line down the middle and fold along the score.
4. Cut tiny fringe on both sides of the feather.

Use these colorful feathers to decorate masks, banner, favors, and etc. You can wear them in your hair, too!
