Cupcake Toppers

Things you will need to make your super cute cupcake toppers: toothpicks, tape, scissors and a print of these pages.

1. Download the file and print it. Print on heavy stock if you wish.
2. Cut out the shapes.
3. Tape a toothpick to the back of your cut-out leaving enough toothpick to stick into the cupcake.
4. Find a matching shape and tape to the other side.
5. Stick the toothpick end into your cupcake and they're ready for the party!

Cupcake Wrappers

1. Download the file and print it. Print on heavy stock if you wish.
2. Cut the sides and the bottom curve with your straight scissors. Then cut the top rim with scalloped or straight scissors. Don't forget to cut the hole for the tab.
3. Wrap it around a cupcake and put the tab through the hole to hold it together. You may want to tape it to secure.

That's it! Now you can put your cupcakes into the wrappers and apply frosting as needed.
